

#27

Amendment Offered by Mr. Hilleary of Tennessee
to the Amendment in the Nature of a Substitute Offered by Mr. Goodling

Page II-52, after line 2, insert the following new section:

“Sec. 4148. Rule of Construction on Personally Identifiable Information

“**Nothing** in this Act shall be construed to permit the development of a national database of personally identifiable information on individuals involved in studies or in data collection efforts under **this** Act.”
