To THE AMENDMENT IN THE NATURE OF A  
SUBSTITUTE  
OFFERED BY MR. GOODLING**

Page III-21, add after line 25 the following:

1           “(10) Carrying out a program under which the  
2           recipient enters into an agreement with an entity for  
3           providing—

4                   “(A) one laptop computer for each child in  
5                   the third through twelfth grades in the school  
6                   district (in such installments over such period  
7                   of time as the recipient and entity may provide  
8                   in the agreement) ;

9                   “(B) training and ongoing support in the  
10                  use of such laptop computers for students,  
11                  teachers, and parents;

12                  “(C) hardware and software for such  
13                  laptop computers for instruction and profes-  
14                  sional development; and

15                  “(D) assistance in using the technology  
16                  provided to incorporate State and local aca-  
17                  demic goals into the curricula.
