Amendment offered by Mr. Goodling

To the amendment offered by Mrs. McCarthy

Strike all and insert the following:

“Each local educational agency, or consortium of such agencies, that receives a **subgrant** under section 4112(c) and has a high rate of expulsions, as reported under part C, may use a portion of its **subgrant** to study the effectiveness of promoting the benefits of child safety locks for firearms with the purpose of reducing the danger of firearms harming public school students and employees.
